BOOK SYNOPSIS

From classroom aids to corporate training programs, technical resources to self-help guides, childrens features to documentaries, theatrical releases to straight-to-video movies, The Video Source Book continues its comprehensive coverage of the wide universe of video offerings with more than 130,000 complete program listings, encompassing more than 160,000 videos. All listings are arranged alphabetically by title. Each entry provides a description of the program and information on obtaining the title. Six indexes -- alternate title, subject, credits, awards, special formats and program distributors -- help speed research.
