BOOK SYNOPSIS

Crocheted mandalas are having a moment! And its no wonder the lovely mandala is in vogue: one evening is often enough to begin and finish something eye-catching. Many crocheters make mandalas as a meditative activity, while others love them simply for the wonderful opportunities they offer for mixing colors and stitch textures. A new take on traditional shapes, like granny squares or hexagons, these attractive crocheted circles are causing a real buzz in the crochet community. Included are complete written and charted directions for a variety of types of circular designs, plus a range of creative techniques and ideas to make yours stand out from the crowd. With full patterns and inspiring photos, a review of crochet techniques, a discussion of materials, colors, finishing techniques, and lots of project ideas including bags, shawls, blankets, and pillows, this book guarantees many hours of happy mandala-making.
