BOOK SYNOPSIS

This collection of stories takes the reader on a sensual ride. It has all the things of impossibility mixed with maybe possible thrown in. The stories leave you wanting more, just as the sailor in the opening story wanted...MORE! We are left wondering if what Christopher Trevor describes in these stories is humanly possible. I love reading Christopher Trevors books. As a straight woman, I realize that Mr. Trevors world is very different from my own. It makes one think how much is going on out there that we have no idea about. Wickedly Delicious! Christopher Trevor is both master and slave to each fetish he explores. Reading these bizarre and outlandish tales of forced arousal, I nearly wet my pants, but thats for another book! Mr. Trevor is a devilish docent of delightful debauchery. He opens the doors while others peep through keyholes.
