BOOK SYNOPSIS

With over 8,000 nonmedical words, phrases, and acronyms related to the health-care industry, Slees Health Care Terms is the leading healthcare dictionary available today. Now in its fifth edition, it covers finance & reimbursement, managed care, government regulation, health professionals, legal issues, governance, and more. Written expressly for trustees, and others who need quick, precise information, Slees tells you what a term means and why you need to know it in today's healthcare environment. It is an essential reference for anyone who deals with the health care industry.
