BOOK SYNOPSIS

A NEW APPROACH TO WRITING A NOVEL IN 30 DAYS Write fast or write well? You dont have to choose when youve got a story blueprint that shows you how to write a romance novel with perfect structure in thirty steps. If youve ever tried to write a novel in a month, you know how much fun it can be when the words flow...and how hard it can be to ignore the fear that your story is no good. What if you didnt have to worry about plot structure? What if you could be free to just focus on your characters when you sit down to write each day? The Plot-As-You-Write story blueprint breaks your novel into thirty manageable sections and asks you a series of character-focused questions that generate a solid plot structure every time. Combining three-act structure with a romance arc, character growth arcs for your couple, and elements of the Heros Journey, this story blueprint is extremely flexible and has been successfully tested by both plotters and pantsers. Make novel writing fun again-try the Plot-As-You-Write story blueprint and finish your next novel in 30 days!
